Dear Ms. Wiltshire:

Thank you for sharing the new 2015 Policy Platform of the Headwaters Alliance. After reviewing the policy prescriptions provided in the document, I am pleased to say that the City of Aurora Water Utility Enterprise (Aurora Water) supports the policies presented. Aurora Water will continue to work with Carpe Diem West through our representative Michael McHugh, to assist Carpe Diem West moving forward with these goals. Again, thank you for representing the West and for pursuing programs and policies that help protect our precious watersheds.

Sincerely,

Marshall P. Brown,
Director, Aurora Water
